

Outlook 2016 Tips and Tricks

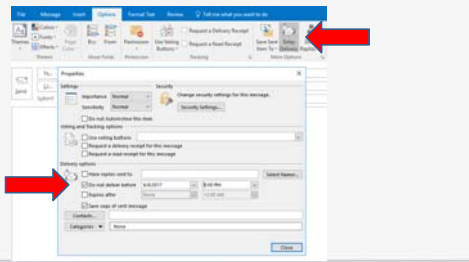

Joe Gast
Martin and Associates, Cincinnati, Ohio

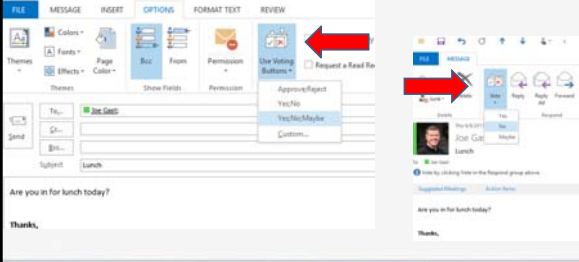

Skype for Business

Delayed Delivery

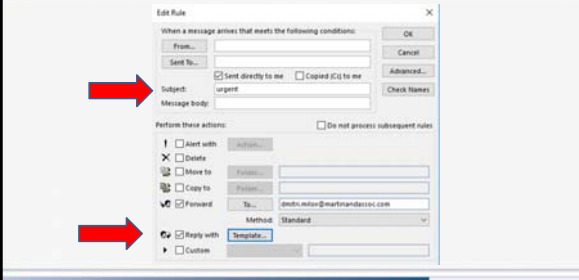

Voting buttons

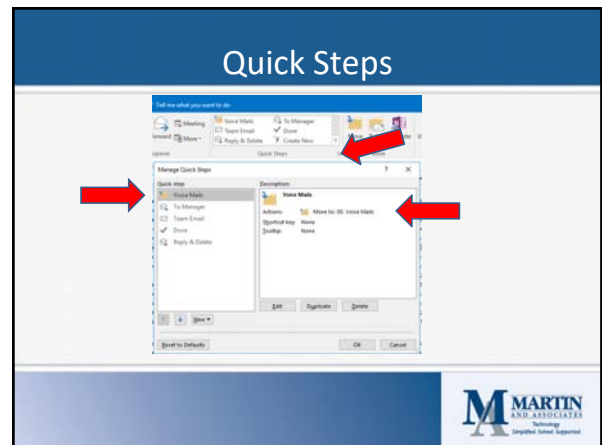

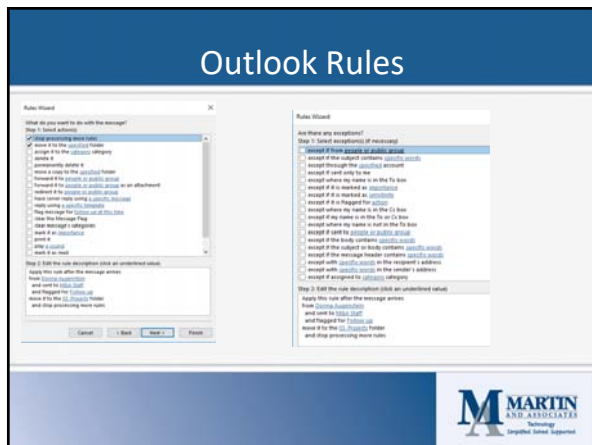

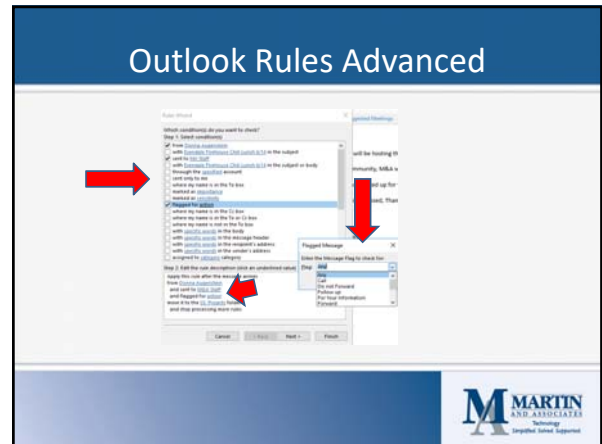

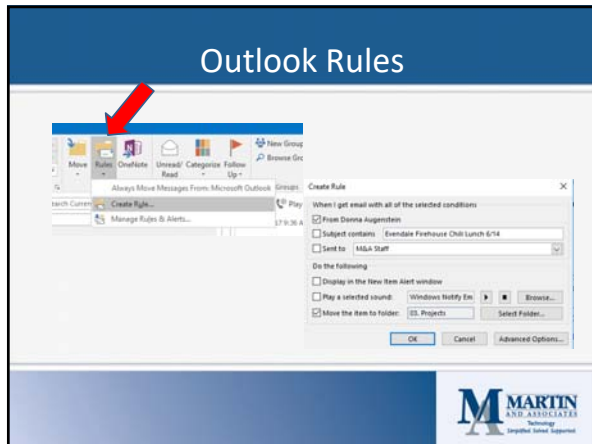

Auto Responder

Auto Responder Rules

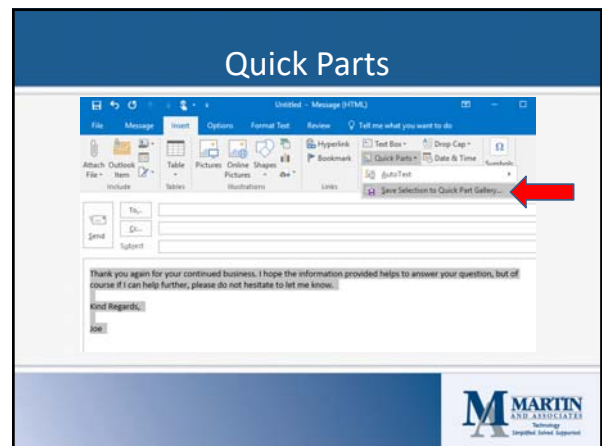

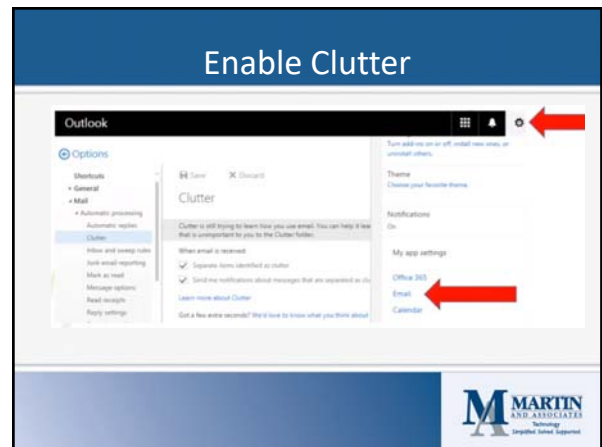

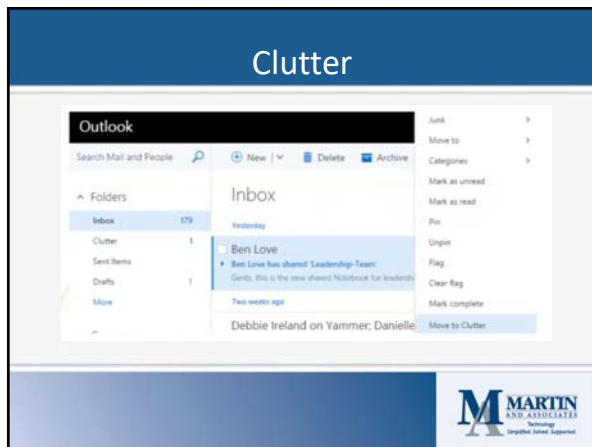

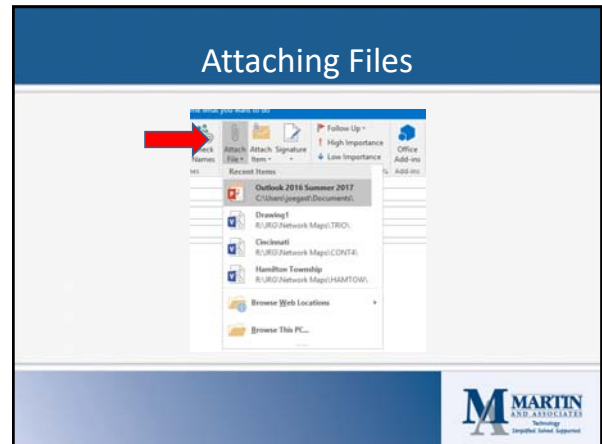

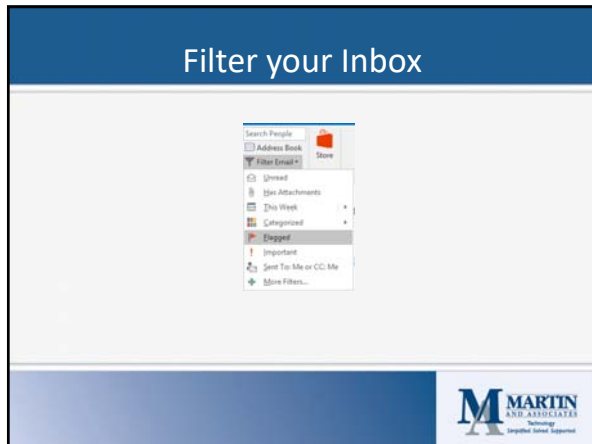

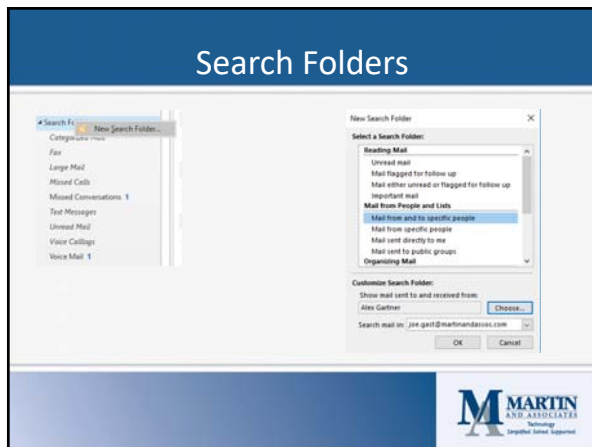

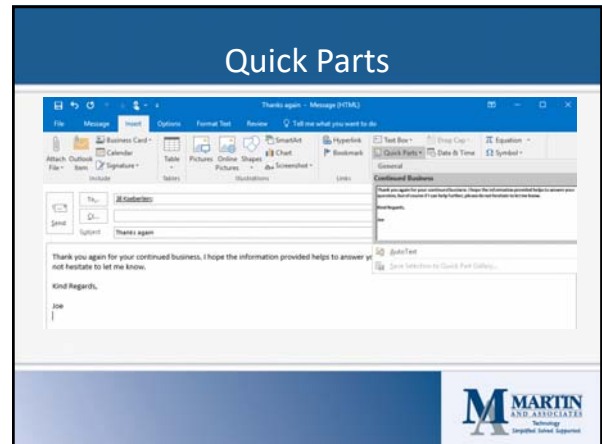

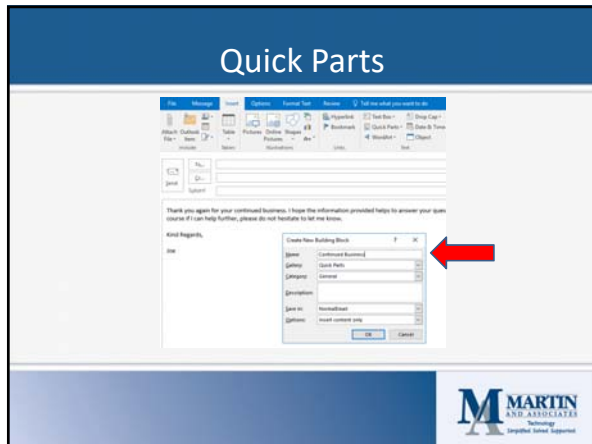

Rules vs. Quick Steps

- Rules happen when a message arrives automatically.
- Quick steps require you to “run” it.

Outlook Automation

- Auto print all attachments, then file the email
- Automatically file emails in Public Folder or other mailboxes
- Play some audio....
 - Crowd cheering when someone RSVP’s for your event
 - Darth Vader theme song when someone emails you

VIP Desktop Notifications

Disable all of these

VIP Desktop Notifications

Favorites Folder

Quick access to the folders you use most often

Setting Appointments

You can use natural language to set the date

BCC a Meeting Invite

The end...

- Thanks for coming today and I hope you walked away with a little something that will help you in Outlook....
